

Postalsoft® DQ 8.0 to Firstlogic® DQ 9.0 Software Trial Program (STP)

Attend Postalsoft® DQ 8.0 to Firstlogic® DQ 9.0 Discovery Call and Qualify for a 30-Day No-Fee Software Trial.

■ Benefits:

- **Postalsoft DQ 8.0 End-of-Life** – Postalsoft DQ 8.0 reached end-of-life on March 31, 2015.
- **Firstlogic DQ 9.0 Extend-the-Life** – Extend the Life of your SAP Postalsoft DQ 8.0 ACE, DataRight IQ & Match/Consolidate platform beyond March 31, 2015.
- **Eliminate Business Disruption** – Upgrade your existing SAP Postalsoft DQ 8.0 platform to the Firstlogic DQ 9.0 platform without affecting your existing business processing.
- **Leverage Your Investment** – Continue to use your existing business processes, applications, scripts and Job-Files without the need for conversion or redevelopment.
- **Simple Version Upgrade** – Upgrade Postalsoft DQ 8.0 to Firstlogic DQ 9.0 using a familiar and simple installation process.
- **Same Postalsoft® Platform** – Firstlogic DQ 9.0 is built from the same SAP Postalsoft DQ 8.0 platform now powered by the integrated SAP DQM platform.
- **Same Operating Systems** – Continue to run on Windows®, Linux®, Solaris® and the AIX® operating systems.
- **CASS™ & NCOA^{Link®} Certified Cleansing** – Continue to use the same SAP ACE CASS™ and SAP Mover ID NCOA^{Link®} Certified™ address cleansing engines.
